

Formulaire : les valeurs centrales (présentation en cercle)

The diagram consists of a central dark grey circle with the text "VALEURS CENTRALES" in white. Surrounding this central circle is a ring divided into eight equal, light grey segments. Outside this ring, there are eight empty rectangular boxes arranged in a circle, each aligned with one of the segments of the ring. The boxes are intended for the user to write the names of the central values.

Remarque : le nombre de valeurs centrales est à adapter le cas échéant.
